Iris M. Landa

In taking *a closer look* at our university we cannot help but recognize the contributions and achievements of Iris M. Landa, our assistant dean of students.

Born in Sale, Australia and a graduate of Loma Linda University, Mrs. Landa has served our campus since 1971. And this year, we pay a special tribute to Mrs. Landa for her acknowledgement as the outstanding advisor in 1986's National Recognition Program for Academic Advisors. We, the ***Visions*** Staff proudly dedicate this yearbook to Iris M. Landa.

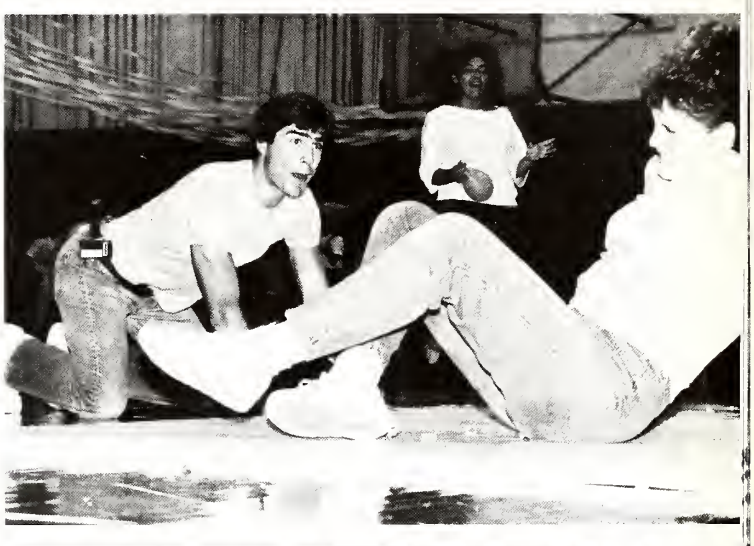
Registration: the ultimate frustration

Once you walk into the gym you are engulfed with people. As you stand amongst the crowd, you try and collect your thoughts and decide what you should do first. Disappointments fly into the air — NO MORE STICKERS LEFT!!! Now what do I do??!! As the day progresses, so does the frustration. There are lines everywhere! Endless lines, lines and more lines . . . Once you clear, you're ready to register and ready to begin another quarter at La Sierra!

Let's Get Aquainted

It was a clear Saturday night. Students filled the gym with excitement, shouts and laughter as the 1986-87 Let's Get Acquainted social began. Some were new faces, others old friends, and still those who were just beginning their college experience. Colored balloons were given to set teams apart. The crowds roared as their favorites won the competitions. Musical chairs, the Broom Hockey Puck game, a Pie-eating contest and the famous Dating Game were part of the activities. Thrills continued until the end when piñatas broke to pieces spilling out candies galore.



Almost Anything Goes

You could knock them down and beat them in the race but at the end the Village — Green Machine led with first place.

The big events started with cheers for each team: Blue — upper classmen; Orange — underclassmen; Red — Staff, and Green — Village. Games such as the hilarious sit-on-the-balloon, the ping-pong ball race, couple in the tire race and traditional bed race were played. After refreshments, the wildly wet games of passing water in paper cups and races with the bus push ended the competition.

The triumph of Village terminated the evening.

Festival of Nations

One of the annual events on the La Sierra campus is the Festival of Nations, which takes place in the first weekend of November. It is open to the community as well as student and faculty members. A great chance to taste food from other countries, the Festival of Nations is also a way for the different clubs to earn money for their various activities.

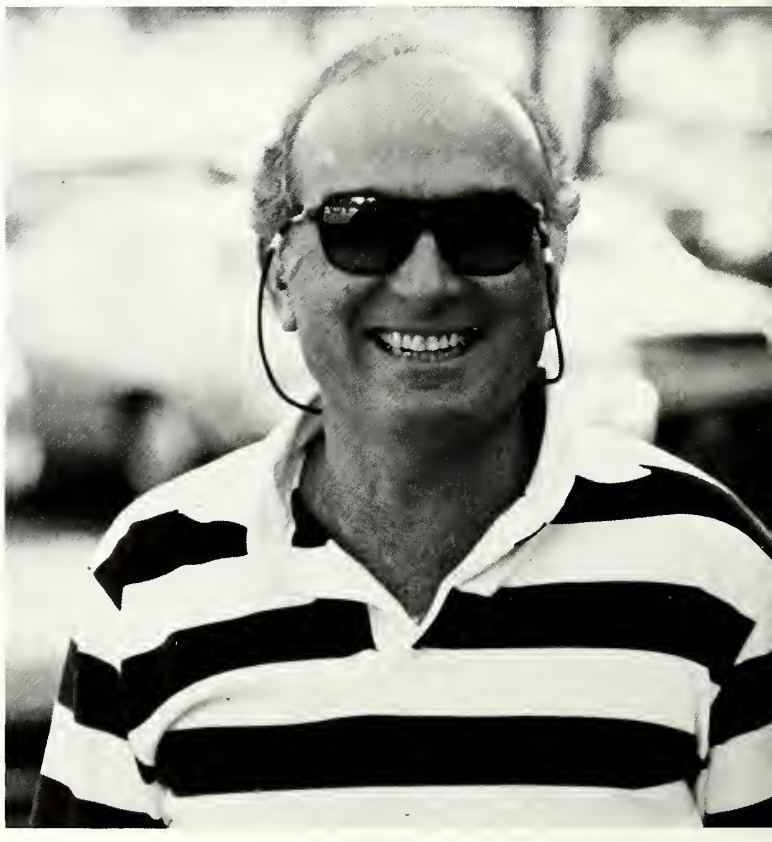
Missionaries
2 billion, sent
do it all for Him"

Ours After Hours

One of the biggest social events of each quarter is the program "Ours After Hours." The saturday night show for the fall quarter included a lip-sync of "Invisible" by The Friends, a new song from Facets of Jazz and who could forget the "Memories" of our own cats? We sang with "Whitney" as she "Saved all her love" and clapped along when XL decided they "just couldn't get enough." The "Supremes" also "Set us Free" a little before David Hoppe brought down "The Walls of Jericho" with his smooth trombone playing. And then there was the "Vegeburger Beat led by Danny Ogata, Shoen Safotu, Juan Damon and Winton Moore. Needless to say, this "Ours After Hours" was one that will live long in our memories.

THE MALL

The mall that leads to the Administration building, to the Commons, and to Angwin Hall was a busy location this year. The mall, being one of the most frequently treaded walks, served as the site of many worthwhile events such as the blood drive, the hunger relief drive in Africa, a donut feed, and even the elections.



Bible Retreat

Carrying with them the theme, "If I (Jesus) Be Lifted Up," 70 students from La Sierra ascended up to the Pine Springs Ranch on the weekend of November 14-15. The main speaker for this campus ministerial event was Doug Martin, but also leading out in the various services was D. P. Harris, who used the help of the audience for skits, and the drama group, The Other Mash. Enjoying the benefits of nature and the spiritual opportunity to the fullest extent, many wished the weekend could have lasted a bit longer.

Another Peace

Without a doubt, one of the most exciting things to happen to La Sierra this year was Another Peace, a 70 member gospel singing group comprised of students from La Sierra. Another Peace came in first among 70 other groups from the Southern California area in the McDonald Gospel Fest '86, and took home as first prize a Plymouth van and 20 free hours of recording time. Soon after, the group toured and visited Oakland, the San Francisco Bay area, and various parts of Los Angeles. Making up the group was mainly the members of the BSA but it also included students from the Spanish and Filipino clubs.

Campus

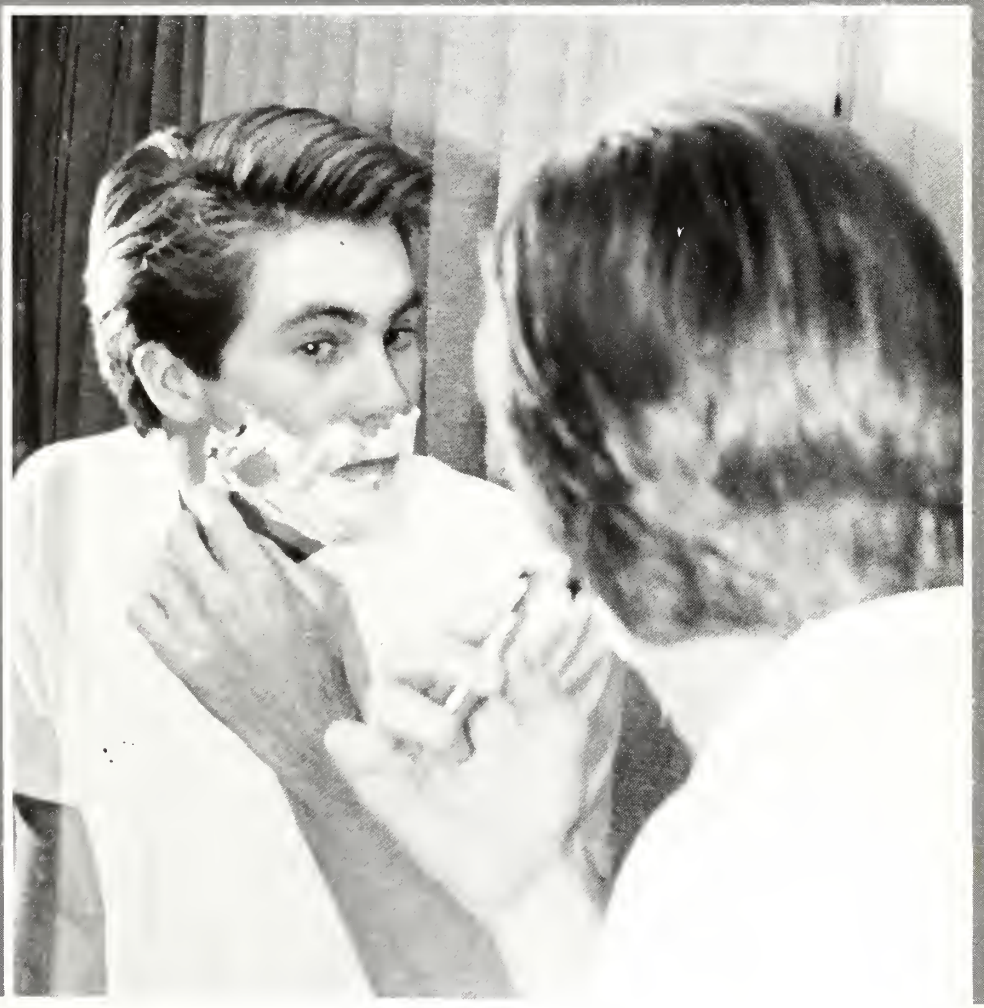
Life

Angwin Hall

Although Angwin Hall is the largest women's dorm on the campus, (housing over 260 upperclassmen) the friendliness and Christian warmth is still strongly felt. Many faces may clutter the lobby and hallways, but each one has something in common — they all belong to Angwin. It is impossible to go through a day without some kind of greeting from a fellow dormer; whether it be a smile, a "hi," or just a slight twinkle of an eye. Angwin Hall is a beautiful place to be because the Angwin girls and deans have made it that way.

Sierra Towers

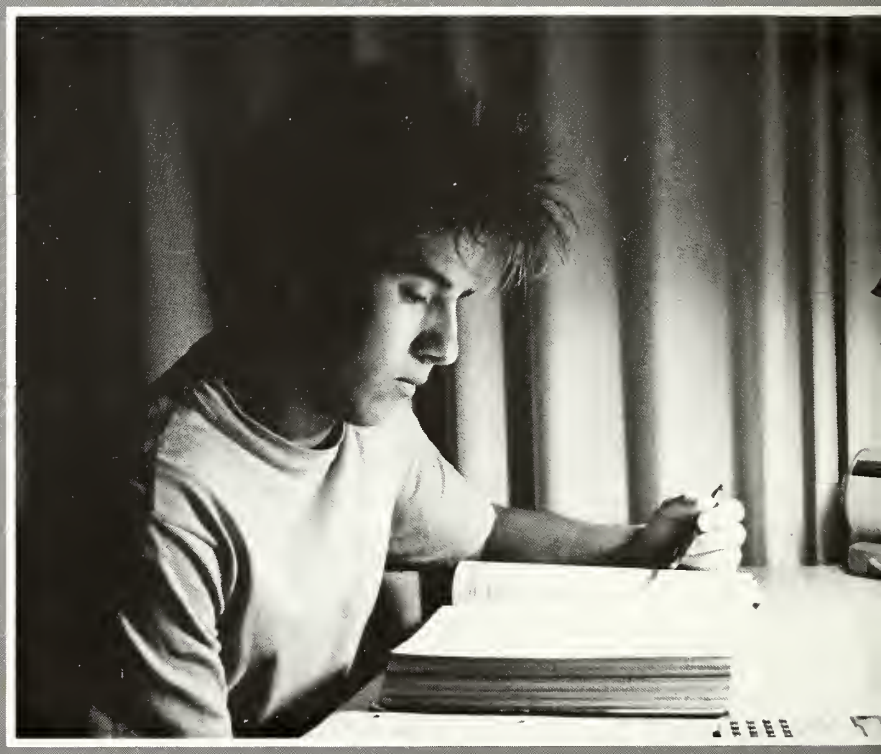
Looming above the La Sierra Campus is the men's dorm — Sierra Towers. With a lobby as nice as a hotel, the building boasts 7 floors and houses 264 upperclassmen. Whether the occupants are studying, talking together or just having fun, the feeling of comraderie is always evident.



South Hall

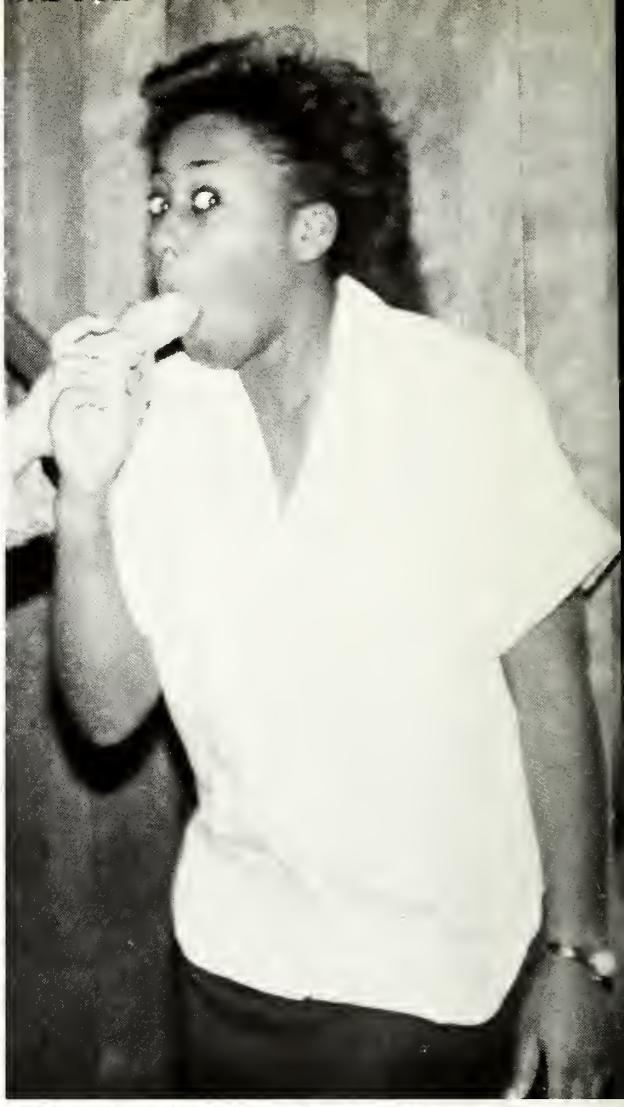
South Hall lies dormant during the summer months, yet when school starts, it becomes the center of much activity. Newly arriving girls can be seen with their excited faces expressing high expectations for the new school year as they begin to convert their home away from home. As the year progresses, the once bleak dormitory rooms are converted into a unique haven for each occupant. South Hall becomes a place where friends are made, experiences are shared, and spiritual values are strengthened.

CALKINS
HALL



Calkins Hall

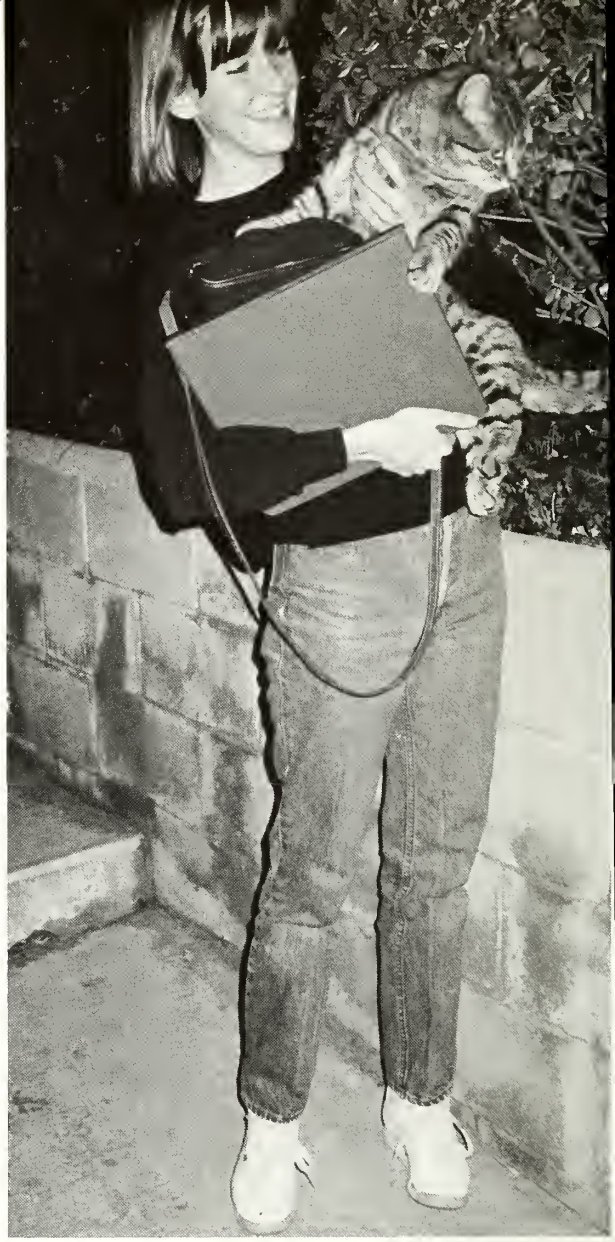
Southeast of La Sierra Campus stands erect a 48 year old building familiarly known as Calkins Hall. This luxurious living quarter serves as the home away from home for its 153 residents. The individuals of Calkins with their energetic attitudes makes this dormitory unequal in its' uniqueness, where else on campus can you go at any hour and find a lively crowd socializing in the decorous lobby? Smiles are always evident as the inhabitants come and go from their spacious 9 x 11 rooms. The freshman's year spent in Calkins will be embedded in his memory as a major transition to independence.



Gladwyn Hall

Gladwyn Hall accomodates not only Freshmen girls but a few sophomores as well. For the new students this was a place of adjustment — the first home away from home. Inside this unique every day life included shower lines, blasting radios, phone conversations, girls running up and down the stairs or down the hallways. But overall, the friendliness and caring of its residents and the new dean — Mrs. Curtis made Gladwyn Hall earn a reputation of being a second home . . .

DEAN



Sierra Vista Apts.

Situated on the fringes of our quaint campus, SVA shares a comradery of collegiate women full of energy and vitality. Being that a lot of the students in SVA are older, the atmosphere of the apartments is one of the independence, but because of the home-like environment they bond together like a big family.

Some of the unique characteristics that set SVA apart from the typical dorm life are the moments shared with each other. Watching TV shows brings the residence together and creates a sense of belonging and acceptance. But what is so novel about SVA is that no matter what kind of day it has been, there is always someone who cares and is willing to listen. It's nice to know there is a person who is a friend not only for the moment, but for life. Those are the times that make one feel special, and above all — Sierra Vista special.

Shhhhh . . .

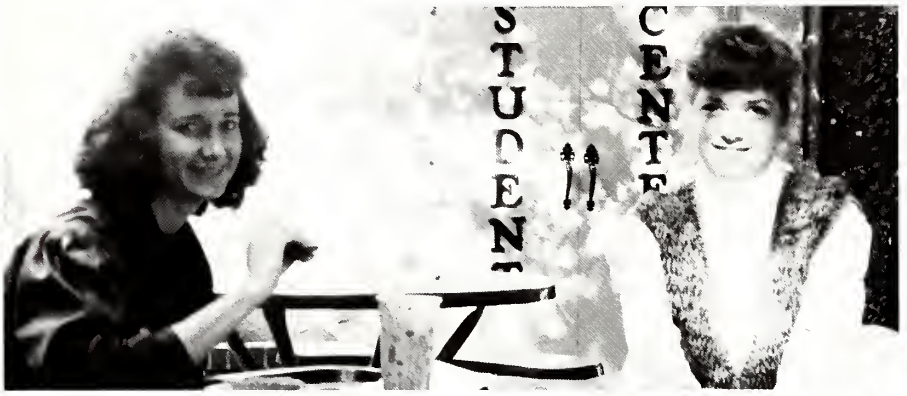
Shh!! our favorite place to socialize and make new friends. The library has something for every student at La Sierra. One can hear the loud whispering of study groups or the squeaking footsteps of sneakers passing by. You might find yourself catching a few zzzz's or reading the desk graffitti. The library provides us with a large selection of literature vital for term papers and other class assignments.

The Commons

Meal-time at the Commons seems to be one of the more anticipated times of the day, where students can dine and unwind from the pressures of school, sit and chat with friends, or just relax and be alone. This may also be the only time to see some friends, or ones that you'd like to become friends with. Whatever your reason is — a good meal, relaxation, or friendship, the Commons helps bring the student body together.

The Snack Shop

The Snack Shop's meal option has been a great convenience to students who have missed the meals offered in the Commons due to classes or other obligations. This is also a time to share with friends and meet new ones.



STUDENT CENTER

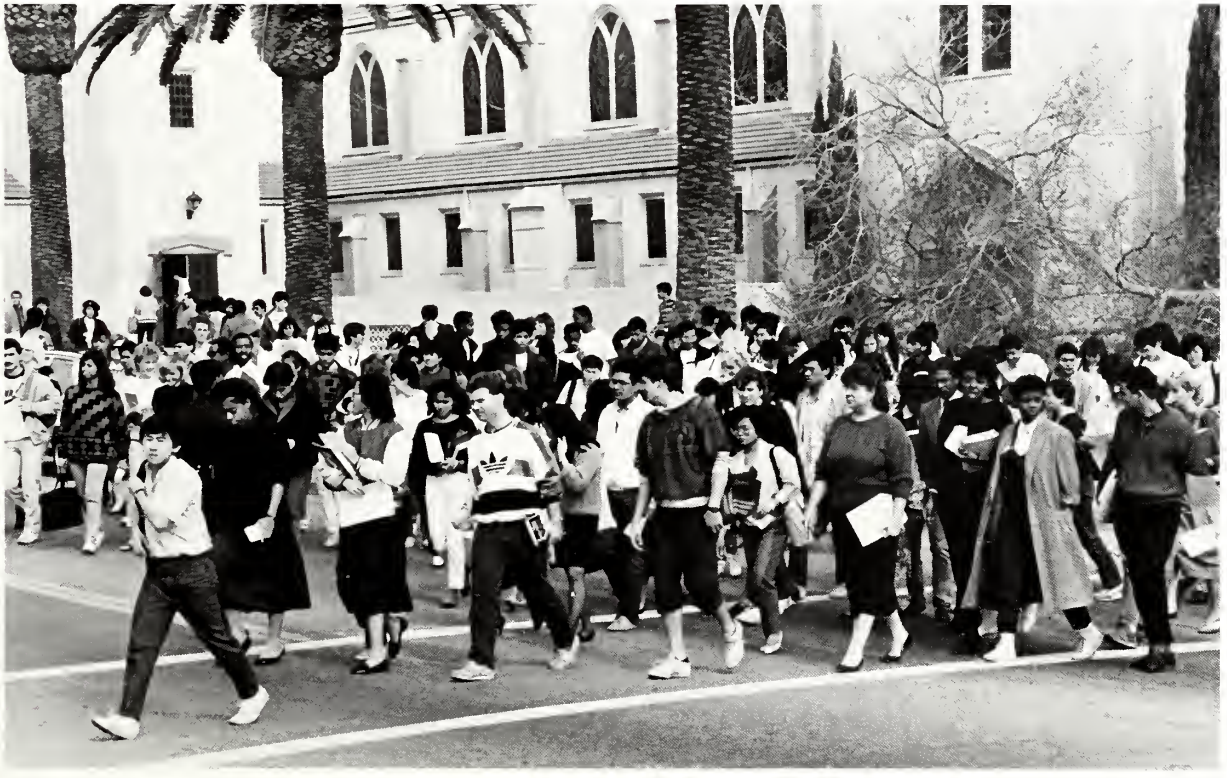
Furnished with soft, plush couches and a warm fireplace to provide warmth if need be, the student center proved to be an ideal place to relax with friends or with a good book. Situated next to the snack shop and the game room, the student center was always a welcome option.

GAMEROOM

For taking care of those stressed by studies, the game room beneath the Commons was a frequent remedy for a lot of students. Wherever their interests laid, be it football, ping-pong, or video games, the game room provided some relaxation.

Chapel

A familiar sight on campus every Tuesday morning at 10 AM is the swarming of the students to the Collegiate Church for the weekly chapel service. The chapel service, providing the only opportunity of the week for all students and staff to come together under the same roof, presents many interesting speakers. These speakers provide the students with many challenges and contemplative ideas throughout the year.



A Week of Bietz

The fall quarter's week of prayer welcomed Gordon Bietz as the guest speaker. Gordon Beitz, the pastor of the Southern College Church, graduated from La Sierra and recieved his Master of Divinity from Andrew University. The week of devotion was entitled "A Time for Healing" and Pastor Bietz spoke on several variations on the theme, including such topics as, "Healing Loneliness," "Healing Grudges," and "Healing Emotions." The programs all week long was also nicely complemented with music by the students of La Sierra. One of the culminating events remembered by many was the Candlelight Cummunion held on Friday Night.

PURPOSE

In any situation in which you are uncertain
the first thing to consider, very simply, is
"What do I want to come of this?
What is it for?"
The clarification of the goal belongs at the beginning
for it is this which will determine the outcome.

Doubt is the result of conflicting wishes.
Be sure of what you want,
and doubt becomes impossible.

Nothing is difficult that is wholly desired.

No one who has a single purpose,
unified and sure,
can be afraid.
No one who shares his purpose with him
can not be one with him.

It is this one intent we seek today,
uniting our desires with the need of every heart,
the call of every mind,
the hope that lies beyond despair,
the love attack would hide,
the brotherhood that hate has sought to sever,
but which still remains as God created it.

How to improve your financial health

Adventists have a long history of providing spiritual and physical health. 30 years ago, our commitment to your financial health led to the start of our member-owned credit union.

The result? Services for you that other financial institutions just can't match. For example:

- Visa – credit lines to $5,000 for a low $12 annual fee and just 15.9% APR.
- **Auto Loans** – 100% financing available to 5 years.
- **Signature Loans** – Instant credit at only 15.9%

Best of all, you are assured of service from people who care. We are owned by our members, the very people we serve.

It only takes a minute...

If your financial health could use some improving, take a minute now to call or write us. We'll rush you information on any service you request for your checking, saving or borrowing needs.

If you haven't yet discovered the advantages of credit union membership for yourself, an application can be on its way to you immediately. We're here to help you now!
